

## **MEDITATIONS FROM JUNE 2015 SUNDAY BULLETINS**

### **THOUGHTS**

June 7 2015

From Dial-a-Prayer, January 13, 1998

Dr. Al G. Salazar, Minister Emeritus

The peace in our mind and the harmony in our relationships are the results of discovering that what we think and feel does not go in a straight line, but in a circle. Our thoughts of another never touch others, but us. Paul reminded us of this law when he said, "Be not deceived; God is not mocked: for whatsoever a man soweth, that shall he also reap."

Our Bible reminds us that what we place in the river of life is the very thing that returns to us multiplied. "By your thoughts you are blessed; and by your thoughts you are condemned."

In other words, our own thoughts of love beget experiences of love and our own thoughts of lack beget experiences of limitation. Answered prayer lies in this promise, "Thou will keep them in perfect peace, whose mind is stayed on thee."

Therefore, this day, take time for a sense of peace, and then abide in this peace, that this peace may flow out from within you to make every crooked place straight.

For this blessing, O most Gracious God, we give you thanks. Amen.

### **TRUE PROSPERITY**

June 14, 2015

Rev. Maria Borrero

God our Divine Father gave us a finished Kingdom. This Kingdom is ours right this minute. We are to partake of God's divine nature as Paul told us. We are heirs of God, joint heirs with the Christed Jesus. Jesus lived through the Christ consciousness. We all live, move and have our being through this consciousness. Today we must learn to start living our true life, one that is full of God's abundance, love, joy, wisdom and peace. For when we have these in our experience we then have true prosperity. "Now is come salvation, and strength and the kingdom of our God." Revelation 12:10

### **EMBRACED BY LOVE**

June 21, 2015

Rev. Donna Gatewood

God is Love. The realization of the love of God is an experience so overwhelming that known, all else pales in comparison. Never again are we content without it. It becomes our primal goal for out of it comes our every blessing. Love is all inclusive. Every attempt on or part to let the love of God express through us brings us closer to the ultimate experience of Perfect, Infinite Love.

Love is the divine cure for every human ill. Love never fails; Love never falters; Love embraces all. Love forgives all; Love swallows up all our failures and gives us back its Grace. Love is freely given and when we are willing to take the first step, Love does it all for us. Love asks only that we turn in Its direction and that we be willing for Its wonder and its Grace to take place in us.

Each and every one of us has been loved with the greatest Love from the beginning of time. “Yes, I have loved thee with an everlasting love, therefore, with loving kindness have I drawn thee...And their soul shall be as a watered garden and they shall not sorrow anymore.” Jer. 31:3,12 Let us dwell in Love that God may dwell in us.

**June 28, 2015 – Student Recognition Day**

There was no meditation on the bulletin since a special bulletin was used.
